Earth without ART is just... eh!

Butterfield Garage Art Gallery invites YOU to join us in celebrating Earth Day 2022 by creating and exhibiting artworks celebrating the beauty of our planet and protecting its' environment during our "Celebrating EARTH" invitational exhibition.

Call to Artists

What do you love about our planet? Is it the beauty and majesty of nature... her landscapes or seas? A favorite flower, animal or the weather? Maybe it's the people who inhabit it or your "special place." Or perhaps it's your concern about its' fragile environment and how we need to protect it. Be creative as you like in your interpretation.

Anyone (any age, or background) can participate. We'll supply the canvas. Draw it, paint it, collage it, be creative! Canvases and entry forms can be picked up at Butterfield Garage Art Gallery. Entry fee of \$10 per entry includes an 8" x 8" canvas. Works created with materials other than the canvas supplied must conform to the 8" x 8" dimensions.

All entries must be received at Butterfield Garage Art Gallery no later than Sunday, March 27. The exhibit's opening reception will take place on Friday, April 1st, and the exhibition will continue through April 30.

You decide if your masterpiece will be for sale. Butterfield Garage will handle any sales and will retain a 15% fee.

Entry forms are available at the gallery or on the Butterfield Garage Facebook page.
